## Professional Summary

Hello! My name is Navaughn Dominique. Consider myself to be a highly understanding, humble, and empathetic individual, which I used to believe were weaknesses, but now realize are some of my greatest strengths. Two years of experience in the electrical field, and 4 years of experience in the customer service industry. Take pride in my work and tasks, and would consider myself to be a perfectionist. All about making sure that the needs of others are fulfilled.
